

Western Harbour Tunnel (and Warringah Freeway Upgrade) EIS

Your Submission to the Project:

Create an account and submit your response by 12 March to planningportal.nsw.gov.au/major-projects/project/10451

- State your name and address.
- Start with "I object..." or "I object strongly...", and then elaborate.
- Give personal examples of your objections
- Provide mitigations that you may accept
- State any conditions you propose for approval.

Where can I find more information on the EIS?

1. Dept of Planning Portal
planningportal.nsw.gov.au/major-projects/project/10451
2. Guidance at
<https://nortag2017.wixsite.com/nortag> and stopthetunnel.org

- Widespread changes to road access & routes
- Unfiltered emissions stacks near our schools
- Increased congestion on local streets
- Harbour dredging & contamination risks
- Major noise & air quality impacts
- Six years of major construction works
- Loss of trees & open green space (Cammeray, St Leonard's Park and Berry's Bay)
